GMAA Sponsorship Offer

Thank you for the ongoing support our sponsors have shown in past few years in supporting our community events. We have had an overwhelming response for the sponsorships every year. We even thank our voluntary members who have spent their valuable time for the cause of this organization.

GMAA has been established for past sixteen years and have held several community events in an effort to encourage community bonding and networking. Once again GMAA have proudly organized our annual **Eid ul Fitr gathering on Saturday 20 April 2024 at Auburn Picnic Area Botanical Garden** which will see a splendid kids and family participation giving your business an excellent opportunity & full exposure to promote yourself in our wide migrant community. This is one of the big events we organize and as every year we expect a startling participation capped to 250 community members (due to restrictions) mainly consisting of migrant families. Moreover, your business can get immense exposure through our website and our correspondence emails to members all year round.
